Dear Mr Patel,

DEADLOCK LETTER - BILLING DISPUTE

Thank you for your complaint of 10 January 2026 about estimated readings and a GBP 680 back-bill.

We still believe the bill is correct and will not offer further credit. This letter confirms we have reached deadlock.

You may now refer your complaint to the Energy Ombudsman within twelve months of this letter.

Yours faithfully, Complaints Manager

WHAT THIS IS: Energy deadlock / final position. Different sector to banking - same idea: company says we are done; escalate if you wish.
